

# KAILAS MANSAROVAR YATRA

Starts at INR  
2,84,999/-

**13N/14D Sacred  
Yatra**

## **"Welcome to The Holiest Yatra"**

**♣ This 13 Nights / 14 Days Yatra is a deeply transformative journey that goes far beyond ordinary travel and has the power to truly enlighten one's life. This is not a luxury tour, but one of the most challenging and spiritually rewarding pilgrimages imaginable, taking you to the highest motorable pass in the world at an altitude of 5,630 meters above sea level. From the sacred temples of Kathmandu to the divine destination of Kailash Mansarovar, the yatra unfolds amidst breathtaking natural wonders and profound spiritual energy at every step.**

**During our time in the Tibet region, pilgrims should be prepared for basic accommodation and simple meals, as hotel options are limited and often overcrowded during peak season. At certain locations, stays may be in mud houses or tea houses with shared toilet facilities. Due to high altitude conditions, food options may feel repetitive or less flavorful; however, our team will make every possible effort to ensure a safe, comfortable, and well-managed experience throughout the journey.**

**This yatra calls for patience, adaptability, physical endurance, and faith—making it a once-in-a-lifetime spiritual experience for true seekers traveling with Spiritual Traveller.**

## **9: ALTITUDE SICKNESS**

While going to high altitude Parts of your trips above 2500 meters/9200 feet where it is common for travelers to experience some adverse health effects due to the altitude - regardless of your age, gender and fitness. Take it easy, and follow our suggestions to reduce the sickness effects. The altitude problem is a very common for everyone who arrives at the high altitude region from lower altitude area, but some are effected seriously and some are not, so there is certain way to prevent it or minimize its effect by preparing before you go to highlands. Here we have listed some tips that we had experiences in the past years.

i. Mental preparation, altitude sickness is also can be helps psychological, so you should take it very normal and keep your mind in a comfortable state.

ii. Keep your body physically fit, so exercise regularly and make physically fit.

iii. Sleep well and rest well on the day before your arrival to high altitude.

iv. Take everything slowly for the first couple of days when you arrived in high altitude region, walk slowly and try to sleep lower altitude first.

Drink enough water and avoid alcohols.

## **10: Currency:**

Only US Dollars & Euros can be exchanged in Yuan for this you may change currency from banks in Tibet to Chinese Yuan, currency used in Tibet or For INR get exchange on your country with Exchange or you can find in Nepal also but as the rates fluctuate almost every day. And buying and selling rate always differ.

## **Communication:**

You can make calls from almost everywhere. Tibet has good networking for mobile phones. And during stay at hotels, you can use wifi if available but may work slowly , otherwise you can find a Chinese Sim-card on purchase which may cost 200 Yuan.
